To the Curator of the Cochran Gallery,  
Washington City.

Dear Sir

I have been for several  
years anxious to secure some  
of the beautiful Photographs  
of the pictures in your Gallery  
so that in some way these  
can be secured for the D.  
Academy of Nat Sciences an  
institution devoted to the "increase  
& diffusion of knowledge" - & building  
a fine building <sup>of its own</sup> without debt.

In the presentation of the <sup>\$4,500.00</sup> <sup>dollar</sup>  
four thousand five hundred lot  
by a lady these words occur in the  
check "I will express the hope  
that it may be found practicable  
to include in this enterprise

provision for an art gallery".  
Thus in erecting the building a  
large & beautiful room was  
made for this purpose lit with  
sky light - in this room we  
have given several loan Exhibitions  
& own a few oil paintings - a  
picture of Galileo before the Tribunal  
being the best - Now my dear  
sir can you help us to  
make this room more  
attractive & worthy the name  
Any thing you please to do will  
be acknowledged by the Officers of  
the Acad & will be most gratefully  
remembered by yours truly

My dear Sir.

Mr. S. P. Avery informs me  
that you will lend me some  
assistance in placing an  
Agassiz bust in the Corcoran  
Gallery.

The bust is the work of Mr  
Preston Powers and is an  
excellent piece of sculpture.

He is the only sculptor  
who has executed an order  
from Mrs Garfield of a  
bust of the late President &  
is becoming a prominent  
sculptor here in the East.

Any information you can  
give me will be most gladly  
received.

I will place the best in  
your hands with the lowest

My dear Sir.

Is it possible to place a bust of Prof Agassiz in the gallery for sale?

It is life size & the work of sculptor-  
Orestes Powers of Italy.

Mr. Powers is the only sculptor who has executed an order for Mrs Garfield of the late President.

Kindly inform me of the opportunity and price.
